NILAYA BY ASIAN PAINTS

The colour powerhouse arranged a stunning 'Nilaya Wallpaper Forest' setup, showing off their new collection of signature papers, coverings, decals, borders and paintable surfaces, curated by international professionals.

ARTY SURFACES & FABRICS

STONEX INDIA

Partnering with interior designer Lipika Sud, the premium retailer launched Romancing the Stone range of consoles made from travertine, marble and granite onyx in trendy colours, finishes and textures.

ODYSSEY

The state of the art brand unveiled the Pleats and Creases line of layered dimensional surfaces, discernibly influenced by Origami. We loved the Dar Es Salaam wall attached to a floor of lapis lazuli, malachite, mother of pearl and brass.

SHADES OF INDIA

The innovative home fashion company presented Bokhara: Rugs in geometric motifs and flat weaves in colours and embroideries inspired by the textiles of Central Asia. What stood out were their summery curtains in different fabrics.
